CAREER GUIDANCE AND COUNSELLING PROGRAM

Career counseling is a domain of counseling that focuses on helping individuals find the right career pathway. The Career Guidance and placement cell organized various programs and created a lot of career opportunities for the final year students in the academic year 2022-2023.

The career guidance cell provides relevant academic and career information to enable students to make informed decisions along the way. Our focus is to provide learning/training opportunities in the areas of academic, career and personal/social development and to prepare students to meet their future challenges and for that purpose our college provides various career counseling sessions by Experts throughout the year.
