SOFT SKILL DEVELOPMENT PROGRAM

The emphasis is to skill the youth in such a way so that they get employment and also improve entrepreneurship. Students were trained to develop skills in attaining jobs in the industry. The base line of these classes was to improve the communication skills and soft skills of the students and to extract their hidden talent of speaking by conducting extempore, group discussions and many more classroom activities. Communication skills like listening, speaking, reading, and writing were well trained by many lectures.

LANGUAGE AND COMMUNICATION SKILLS PROGRAM

Communication skills play an important role in our lives. We may acquire any degree or position but if we are not good communicators we cannot be successful in life. Language acquisition comes from the understanding of LSWR- Listening, Speaking, Writing and Reading.

Being able to communicate effectively is one of the most important life skills to learn. All these means of communication are essential soft skills that are vital for a successful career.

Having strong communication skills helps in all aspects of life – from professional life to personal life and everything that falls in between. From a business standpoint, all transactions result from communication. Good communication skills are essential to allow others and yourself to understand information more accurately and quickly.

English Language Lab at Rajasthan College of engineering for women conducts various activities to improve English communication skills of its students to get better placements and to do well, both in their personal as well as professional lives.

The training sessions include:

- Role Play
- Speaking skills
- Presentations
- Group Discussion

• Debate
