INTERNAL QUALITY ASSURANCE CELL (IQAC)

Rajasthan College of Engineering for Women (RCEW) caters to the academic requirements of students not only through insight filled classroom teaching, but also by ensuring quality enhancement in every sphere of the institution and student's life on the campus. The Internal Quality Assurance Cell is an immensely alert entity of RCEW that takes care to provide the best quality inputs on campus. All activities of the IQAC have proved to be immensely satisfying and beneficial to students and faculty alike. The IQAC plays an important role in ensuring quality of the functioning of administrative and academic units of the college. The IQAC continuously reviews the functioning of the various departments and facilitates necessary changes as and when required. The college has developed quality assurance mechanisms within the existing academic and administrative system. They include:

- Establishment of TQM team
- Self appraisal by faculty, evaluation of academic and administration of the college by various stake holders.
- Redressal of student grievances
- Ongoing evaluation and updating of curriculum
- Periodic reviews of the functioning and progress of various academic and co curricular programs.
- Exit interviews for outgoing students to elicit feedback that can help formulate corrective measures in the light of experiences of the students who graduate out of this institution.
- Seminars and workshops are conducted by the college where eminent scholars, professors and noted industrialists present papers and participate in discussions.

To ensure quality in administrative functions of the college, proper delegation of tasks and promoting a culture of clear communication regarding areas of responsibility accountability is practiced.
