

## Mechanism for Examination Evaluation

### 1. University defined Exam Evaluation

- Two Mid Term Exams - 20 weightage
- One Main Examination - 80 weightage

### 2. Institute defined Exam Evaluation

- Unit Tests
- Open Book Exams
- Quizzes
- Laboratory Internal Assessment
- Mid Term Practical Exams
- Improvement exams All types of mid-term and unit tests are planned before commencement of each semester.

Institution prepares Academic Calendar with reference to its affiliating university's academic calendar at the starting of each semester. The institute has defined set of internal assessment. Question papers of midterm exams are set as per pattern of University main written examination. Papers are submitted to the secrecy cell in a sealed envelope with marking scheme and solution of question paper. Examination Committee executes the centralized evaluation process with monitoring Continuous Assessment:

- The institute has a structured internal evaluation process implemented for theory subjects as well as laboratories subjects for students' persistent performance.
- For the continuous assessment in laboratory lab record sheets are filled by faculty. The record sheet has the detail of date of assigning /completion of the experiment, on the spot viva grad and overall grade of the experiment.
- For the assessment of project and seminar proper guidelines are developed to ensure continuous and unbiased evaluation.
